Dear Gretchen:

Two weeks ago, H. Warshow & Sons moved from the 23rd to the 26th floor of 1375 Broadway. This was not a newsworthy event. It did, however, create monumental mass confusion at both McGraw and the other telephone entities charged with making this an uneventful transition.

One person, Juan Rodriguez, stands out for taking the initiative in making certain that each of the other phone people performed their duties in their area of responsibility. Juan would not only provide translations of what the others were saying, but he also added credibility and comfort to the daily updates. Without him, I am not sure if we would have service today.

Sincerely yours,

Henry Warshow
Chief Executive Officer
